Access Hatchways™

NATURAL DAYLIGHT SYSTEMS

Belray Roof Access Hatchways™ and HatchLite™

Features:

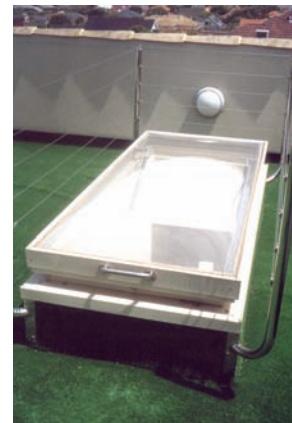

- Belray all metal Access Hatch and Hatchways™ for added security.
- Ideal for roof access for general maintenance to plant and equipment.
- All hatches fitted with internal locking toggles and handles for ease of access to roof for periodical inspection to commercial buildings.
- Gas lifting struts ensure operator safety.
- Access HatchLite™ available with opal or clear domes for additional light.
- Standard size range available in square or rectangular (other sizes on request).
- Full 90° opening.
- All metal access hatches are available with non-insulated or insulated cover lids.
- Suitable for all roof types, flashing available to co-ordinate with roof colour.

To Specify:
When ordering quote:
Belray Access Hatchway Solid Top
Insulation to top if required.
or
Belray Access HatchLite
Vented or non vented, roof type,
roof material, roof colour if
required, size and if rectangular,
measurement across roof x length
up roof, and side to be hinged.
