PyraLite™

Energy Efficient Light Control

One Piece Moulded PyraLite Skylights

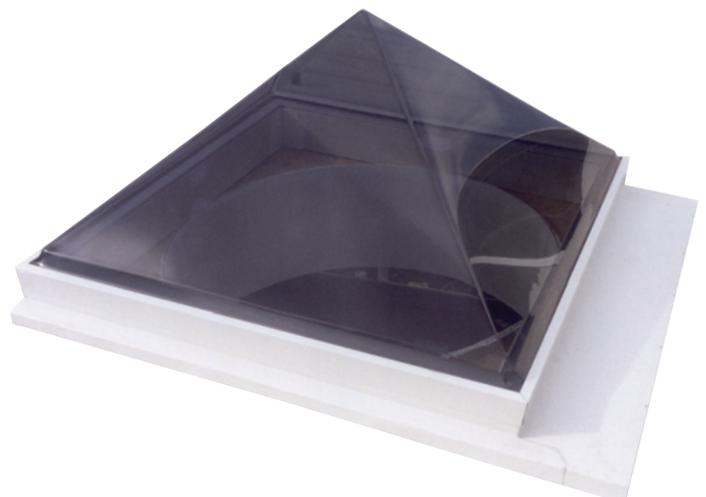

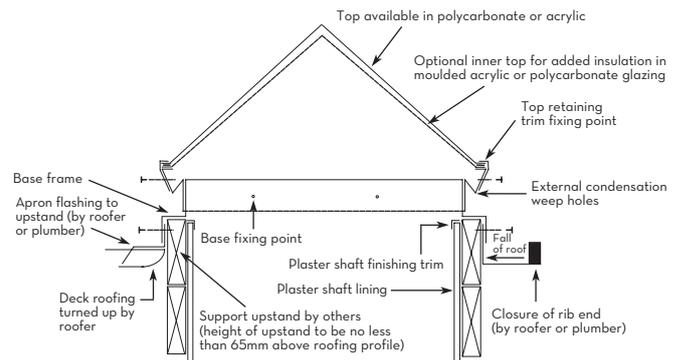

- PyraLite™ Skylights are ideally suited for an aesthetic feature and commercial applications.
- PyraLite™ skylights are manufactured in Polycarbonate, high impact and standard Acrylic and come in either clear, opal or tinted finishes.
- PyraLite™ comes in a large size range with our standard range from 600mm square to 2500mm square, other additional customised sizes available on request.
- Large sized PyraLite™ skylights greater than 1250mm are more suitable fixed to a horizontal support upstand.
- Suitable for all roof types and roof pitches.
- Available in Colorbond®, Zinalume® and galvanized finishes.
