# Roof Access Hatch

Energy Efficient Light Control

## Safe and Easy Roof Access

- Belray roof access hatches are available in opal or clear domed for light transmission, or insulated metal tops.
- Ideal for roof access for general maintenance to plant and equipment.
- Solid welded aluminium square hollow section frame with stainless steel hinges.
- All hatches fitted with internal or external latches and handles for ease of access to roof.
- Gas lifting struts ensure operator safety.
- Standard size range available in square or rectangular (other sizes on request).
- Full 90° opening.
- Suitable for all roof types and roof pitches.
- Available in Zinalume®, Colorbond® and galvanised finishes.
